ARTC Environmental Policy

AUSTRALIAN RAIL TRACK CORPORATION LTD

## Environmental Policy

The ARTC Environmental Policy provides a framework for continual improvement of an Environmental Management System and sets our commitments for managing potential environmental risks.

In all our activities we commit to:

- ❖ Preventing or minimising pollution and the generation of waste;
- ❖ Systematically reviewing our environmental management system to ensure that our significant risks are identified and managed, our environmental objectives and targets are current and our legal and other requirements are addressed;
- ❖ Ensuring corrective action in response to non-compliance and other related environmental related complaints with minimal delay;
- ❖ Having a robust relationship with all environmental agencies and regulators;
- ❖ Ensuring that agreements made between contractors and rail operators comply with the ARTC Environmental Management System;
- ❖ Ensuring that employees are appropriately inducted and have sufficient competencies to perform their duties; and
- ❖ Periodically reviewing and auditing our Environmental Management System, including this Environmental Policy.
