

# 4.2.8 Lighthorse Park Noise Wall + Retaining Wall

The noise wall has two distinct sections. One section consists of a keystone retaining wall with a noise wall above. The second section includes the noise wall located above a landscaped embankment. The noise wall is adjacent to private residential properties and is visually prominent requiring the application of special 'softening' treatments.

- Noise wall theme:** Liverpool Theme
- Retaining Wall:** Liverpool
- Special treatment:** Climbing plant trellises
