

AUSTRALIAN RAIL TRACK CORPORATION LTD

Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

GLENFIELD FLYOVER AND SUBSTATION

Australian Rail Track Corporation (ARTC) will be undertaking construction works at Prospect Creek Bridge over the weekend of 4th and 5th July 2009.

These works are part of the construction of the Southern Sydney Freight Line (SSFL). ARTC will be working at three locations in your area, as below:

Site One: Glenfield Flyover - The work will begin at 5.00am on Saturday and continue until 10.00pm on Sunday. ARTC will be installing the concrete support beams for future deck planks to take the freight line over the existing passenger line. There will be 2 x 300t cranes and a franna crane and general construction delivery trucks.

Site Two: Glenfield Substation – The work will begin at 6am to 6pm on Saturday and Sunday. At this location there will be piling works, steel works and concrete works and the equipment used will be excavators, backhoes, sucker truck, roller, compactor, piling rig, franna crane, hand tools and general construction delivery trucks.

We appreciate everyone's patience while we build this important project.
