

AUSTRALIAN RAIL TRACK CORPORATION LTD

Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

LIVERPOOL BRIDGES

Australian Rail Track Corporation (ARTC) will be undertaking construction works at Prospect Creek Bridge over the weekend of 4th and 5th July 2009. The work will begin at 6.00am on Saturday to 6.00pm on Saturday and continue on Sunday from 6.00am until 10.00pm Sunday 2009.

These works are part of the construction of the Southern Sydney Freight Line (SSFL).

Site One: Liverpool Deck Bridge – work will commence 6am until 10pm on both Saturday and Sunday. The work will include the construction of the pier and deck; this will include concreting and piling. There will be multiple crane lifts for the decked steel framework. The Equipment used in this area will be 20 ton piling rig, 20t franna crane, 2 tip trucks, concrete truck and pumping arrangement, hi-rail work crane and 20ton excavator and 2 flood lights.

Site Two: Liverpool Hospital Bridges – There will be work carried out on the construction of these bridges, including lifting in girders across the main south line. The equipment used will be 450t crane, 350t crane, 2 x 150t cranes, 3 x boom lifts a 5t digger and roller and a bobcat.

We appreciate everyone's patience while we build this important project for Sydney, NSW and the nation.
