Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

Sefton Area

Australian Rail Track Corporation (ARTC) will be undertaking construction works in Sefton over the weekend of 12th and 13th September 2009.

These works are part of the construction of the Southern Sydney Freight Line (SSFL). ARTC will be working at two locations in your area, as below:

Site One: Sefton Dive - The work will begin at 6.00am until 10.00pm on both Saturday and Sunday. The work will involve the construction of a cess drain on the upside of the goods line and also on the down side. They will also be carrying out Sefton Dive Underbridge bulk excavation works, concreting and the installation of handrails. The equipment used at this site will be 20t franna crane, 4 x 2 t dump trucks, 2 x 5 ton excavators, 2 x 20t excavators, 2 x front end loaders, 2 x concrete trucks, shotcreting pump truck, 2 x flood lights.

Site Two: Sefton Triangle – The works will begin at 6am until 6pm on both Saturday and Sunday. The works will involve relocation of local cable routes for signalling equipment and install new pole and track crossing cables.

Site Three: Sefton Dive: The works will begin at 6.00am and continue until 10.00am on both Saturday and Sunday

We appreciate everyone's patience while we build this important project.
