

AUSTRALIAN RAIL TRACK CORPORATION LTD

Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

Macarthur Area Out of Hours Works

Australian Rail Track Corporation (ARTC) will be undertaking construction works in your area over January 2010. These works are part of the construction of the Southern Sydney Freight Line (SSFL). In this area, there will be work as detailed below:

- **2nd to 4th January 2010** – from 02.00am Saturday until 4.00am on Monday.
- **9th to 11th January 2010** – from 02.00am Saturday until 4.00am on Monday.
- **16th to 18th January 2010** - from 02.00am Saturday until 4.00am on Monday.

The activities will include the decommission and diversion of overhead wiring, installation of footings, potholing of existing buried cable routes, excavating cable route trenches, installation of underline crossings, installation of turnout, regrading and slewing of line, and installation of crossover, catchpoint and turnout.

The equipment that will be used will be hi-rail cherry picker, 5t excavator, concrete pump, hi-rail truck, site vehicles, excavators, traxcavator, hi-rail excavator, non-destructive high pressure jet blaster and vacuum pump, all terrain telehandlers, tippers, dumper trucks, front end loaders, graders, bobcats, roller drum vibrating roller, water carts, street sweepers, dozers, pad foot rollers, tamper and ballast regulator.

We appreciate everyone's patience while we build this important project.
