

AUSTRALIAN RAIL TRACK CORPORATION LTD

Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

Liverpool to Casula

Australian Rail Track Corporation (ARTC) will be undertaking construction works in your area over the weekend of the 20th and 21st February 2010. These works are part of the construction of the Southern Sydney Freight Line (SSFL).

Liverpool to Glenfield Flyover: The works will take place from 7.00am until 7.00pm on both Saturday and Sunday. The works at this location will involve the construction of a cable route, the changeover of signalling cables and the installation of new poles and the relocation of aerials. The equipment used on site will be an excavator, dumpy and hand tools.

Shepard Street, Liverpool: The works will take place from 7.00am until 5.00pm on both Saturday and Sunday. The works will involve the protection of the existing Integral Energy cable route where it crosses the new freight line.

Birkdale Crescent, Liverpool The works will take place between 7.00am and 7.00pm on both Saturday and Sunday. The works at this location will involve excavation work and then the pouring of a concrete slab and some potholing. The equipment used will be as follows back hoe, dig, concrete trucks, welding, gas axe and sucker trucks.

For aerials of the works see attached Maps.

We appreciate everyone's patience while we build this important project.
