

AUSTRALIAN RAIL TRACK CORPORATION LTD

## Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

### Casula Powerhouse Southern Car Park

Australian Rail Track Corporation (ARTC) will be undertaking construction works at Glenfield Creek from 7.00am on Monday 3<sup>rd</sup> August until 10.00pm and continuing throughout the week.

This work will include the installation of the large pre-cast concrete elements of Glenfield Creek Bridge including super T's, girder planks and the bridge deck unit.

The Equipment used in this area will be a 450T crane, franna crane, hand tools, concrete agitators, concrete pump truck and general construction delivery trucks.

The southern car park at Casula Powerhouse will be utilised as a holding point for this heavy equipment and it will be closed off to the public. On Friday we will begin to bring in the equipment, and prepare for the works, from Monday 3<sup>rd</sup> the car park will be closed off to the public for the remainder of the week until Saturday 8<sup>th</sup> August. There is still parking available at the Powerhouse and access will be maintained to the Powerhouse and the Station at all times. The site will be maintained by traffic controllers.

We appreciate everyone's patience while we build this important project for Sydney and NSW.
