

AUSTRALIAN RAIL TRACK CORPORATION LTD

Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

Chester Hill Road Overbridge

Australian Rail Track Corporation (ARTC) will be undertaking construction works in your area over the weekend of 12th and 13th September 2009.

In order to complete the installation of the overhead covered walkway, it will be necessary to position a crane truck temporarily on the south bound lane of Chester Hill Rd between Wellington Avenue and Waldron Rd for approximately one hour.

It will be necessary to implement a Stop Go TCP to manage the traffic on Saturday 12th & Sunday 13th between the hours of 7am to 2pm, note the anticipated maximum duration in which the TCP will be implemented each day is one hour.

These works are part of the construction of the Southern Sydney Freight Line (SSFL). The work will take place from 6am until 10pm on both Saturday and Sunday.

The work will involve piling on the eastern abutment. The equipment used will be piling rig, balloon tyred tipper truck and 2 flood lights and hand tools.

We appreciate everyone's patience while we build this important project.
