IMPORTANT COMMUNITY INFORMATION

HECTOR UNDER ROAD BRIDGE

Australian Rail Track Corporation (ARTC) will be undertaking construction works at Hector Street. This work will involve the implementation of a partial road closure at Hector Street from the 21st September 2009 to 3rd October 2009 in order to construct barriers on the east and west sides of Hector Street.

The traffic controls in place will be stop/slow manual controls between the hours of 9.00am and 4.00pm, with traffic returning to free flow after 4.00pm. This work is required to in order to construct barriers on the east and west sides of Hector Street.

Stage 1

Partial closure of north bound lane under stop/slow traffic controls between the hours of 9.00am and 4.00pm. The tentative dates for this works will be from 21 September 2009 to 26 September 2009 (1 week). Works would involve constructing Type F Barriers on the western side of Hector St.

Stage 2

Partial closure of south bound lane under stop/slow traffic controls between the hours of 9.00am and 4.00pm. The tentative dates for this works will be from 28 September 2009 to 3 October 2009 (1 week). Works would involve constructing Type F Barriers on the eastern side of Hector St.

We appreciate everyone's patience while we build this important project for Sydney, NSW and the nation.
