

AUSTRALIAN RAIL TRACK CORPORATION LTD

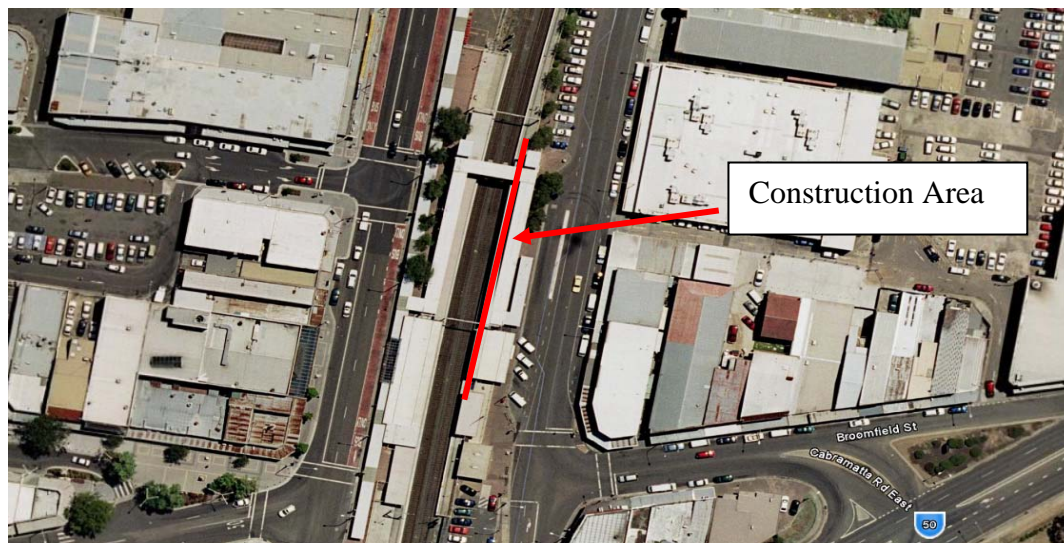

Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

Cabramatta Station

Australian Rail Track Corporation (ARTC) will be undertaking construction works in your area over the weekend of the 27th to 1st March 2010. These works are part of the construction of the Southern Sydney Freight Line (SSFL).

Cabramatta Station: The works will take place from 2.00am Saturday 27th and continue until 2.00am Monday 1st March. The works will involve platform widening. The following equipment will be used crane, excavator, concrete pumps and bobcat.

See below for an outline of construction area.

Cabramatta: The works will take place from 7.00am until 5.30pm on both Saturday and Sunday. The works will involve the construction of three underline crossings for cable routes. The equipment used will be excavator, dumpy and hand tools.

Bridge Street, Cabramatta: The works will take place from 7.00am until 5.30pm on both Saturday and Sunday. The works will involve excavation works, protection of existing services, form work around gas main and a slab pour. The equipment used will be back hoe, dig, concrete trucks, welding and gas axe.

Broomfield Street, Cabramatta – The works will begin at 8.00am and continue until 10.00pm on both Saturday and Sunday. The works will involve CFA piling works and retaining wall construction. The equipment used will be excavators, rollers, CFA piling rig, cranes, tipper trucks, concrete trucks, concrete pump, bobcats, forklift trucks, hand tools, water truck, road sweeper and lighting towers.

We appreciate everyone's patience while we build this important project.
