Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

Blue Circle Cement Works

The Australian Rail Track Corporation (ARTC) is currently undertaking construction works along the rail corridor from Macarthur to Sefton for the Southern Sydney Freight Line Project. Demolition works will be undertaken at the Blue Circle Cement Works at Villawood Place, Villawood on 10th March 2010. Enabling and site establishment works will begin on the 1st March 2010. The demolition works will take approximately six weeks. It is estimated that 50 trucks will be used to remove waste from the site using the main gate in Villawood Place. All truck movements will be undertaken between 7am and 6pm, with traffic controls in place.

We appreciate everyone's patience while we build this important project.
