### IMPORTANT COMMUNITY INFORMATION

#### Cabramatta Station Works – Update

Australian Rail Track Corporation (ARTC) will begin works on Car Park Area 4 (see Diagram) on Wednesday 10<sup>th</sup> March 2010. The car parking work will take approximately 8 weeks to complete. The area will be fenced off to begin the car park construction. Once this car park has been completed there will be a further 42 car parking spaces available in the vicinity of Cabramatta Station. The equipment on site will be excavator, rollers, graders, trucks, water cart and site sheds.

These works form part of the Southern Sydney Freight Line and the easy access upgrade at the Cabramatta Station.

#### Features of the upgrade include:

- New station entry stairs on eastern side
- One new lift on eastern side
- New concourse with ticket office
- Upgraded canopy on Platform 2
- Widened southern section of Platform 2
- Reconfigured car park
- Upgraded CCTV and signage.

Please be aware that there will be a presence of construction workers and building equipment in and around Cabramatta Station. We apologise for any inconvenience caused during the execution of this work. Completion of this work will increase the safety, comfort and accessibility at the station. This upgrade will greatly benefit the local community and make it easier to use public transport.
