Wellington Road– Closed to East Bound Traffic

Australian Rail Track Corporation (ARTC) will be closing Wellington Road to east bound movement at the intersection of Auburn Road and will detour traffic via Hill Road and Stephenson Street.

The east bound lane of Wellington Road will be closed from Auburn Road Intersection to Hill Road on 11 May 2010 from approximately 11.00am and will remain closed until approximately Saturday 15th May 2010.

This one lane closure will be appropriately sign posted.

These works form part of the construction of the Southern Sydney Freight Line (SSFL). The SSFL is a 36 kilometre dedicated freight line between Macarthur and Sefton and the new track is within the existing rail corridor. The SSFL will allow passenger and freight services to operate independently, freeing up passenger lines for improved services and providing more capacity for freight trains on the dedicated lines.

We appreciate everyone's patience while we build this important project.
