

AUSTRALIAN RAIL TRACK CORPORATION LTD

Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

Sewer Main Relocation, Broomfield St, Cabramatta

Australian Rail Track Corporation (ARTC) will be relocating a Sydney Water sewer main along Broomfield Street near Cabramatta Station. This will replace the existing sewer mains that are in the way of the new Southern Sydney Freight Line. The work includes local excavation and trenching to connect to the existing sewer mains.

This work will begin on Friday 21st May and take approximately 10 weeks to complete (Note: the work will not occur continuously over this 10 week period). The work will be carried out in approved project hours. Pedestrian and traffic movements will be impacted for the duration of the works, traffic control will be in place to manage the flow of pedestrians and traffic around the worksite.

The equipment on site will be a boring machine, excavator, welder, jack hammer, concrete mixer, work vehicles and hand tools.

W30a SWC Sewer diversion at Cabramatta Station

We appreciate everyone's patience while we build this important project for Sydney, NSW and the nation.
