

AUSTRALIAN RAIL TRACK CORPORATION LTD

Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

Macarthur Area – Weekend Work

Australian Rail Track Corporation (ARTC) will be undertaking construction works in your area over the weekend of the 19th and 20th June 2010. These works are part of the construction of the Southern Sydney Freight Line (SSFL).

Macarthur Tie In - The works will take place from 8.00am on Saturday 19th June and will continue until 10.00pm on Sunday 20th June 2010. The works will involve earthworks and the construction of drainage works, tie in to existing capping and installing bridge girders. The following equipment will be used excavators, rollers, graders, tipper trucks, bobcats, forklift trucks, water cart, knuckle booms, working platforms, hand tools, lighting towers, bogies, truck and dog, concrete trucks and concrete pump.

Macarthur – The works will begin at 7.00am until 5.00pm on both Saturday 19th June and Sunday 20th June. The works will involve potholing of existing buried cable routes, excavating cable route trenches and installation of underline crossing (open cut). The equipment used will be site vehicles, excavators, non-destructive high pressure jet blaster and vacuum plant, dump trucks and bobcat.

Macarthur/SSFL Installation Works – The works will begin at 7.00am until 5.00pm on both Saturday 19th June and Sunday 20th June. The works will involve new signalling installation works, including potholing of existing buried cable routes, excavating cable route trenches and installation of under line crossings.

We appreciate everyone's patience while we build this important project.
