

AUSTRALIAN RAIL TRACK CORPORATION LTD

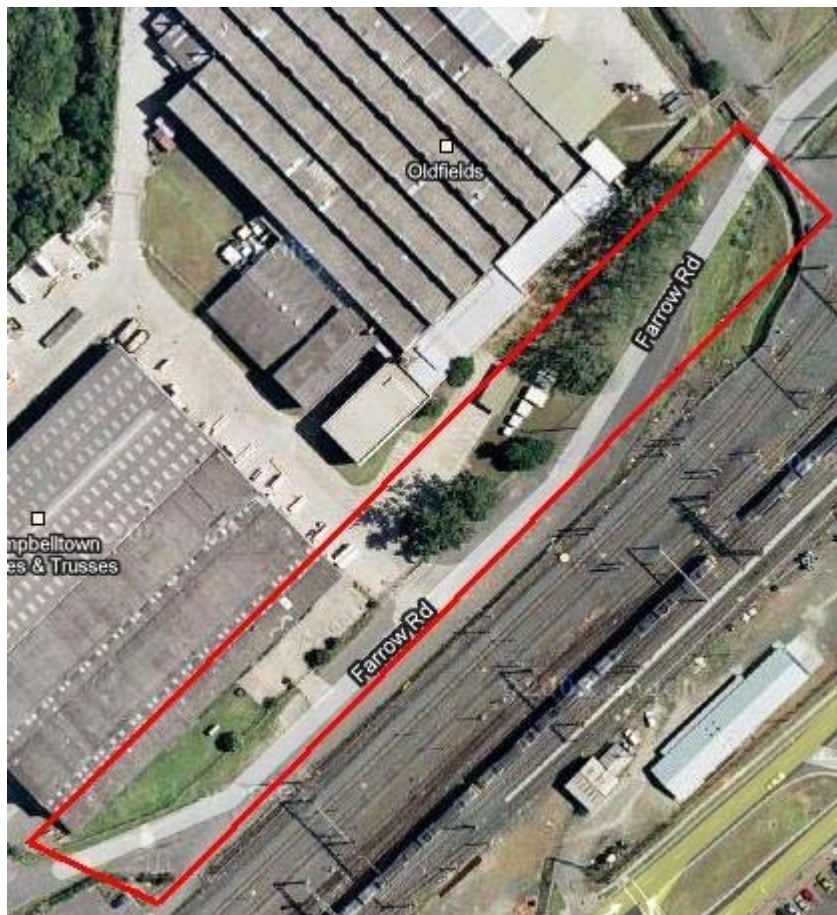

Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

Construction Work at Farrow Road Campbelltown

Australian Rail Track Corporation (ARTC) will be doing construction work at Farrow Road as part of the SSFL works. The works include trenching a new underground cable route and constructing a substation, including a housing building adjacent to Oldfields and Campbelltown Frames and Trusses. These works will begin on the 5th July 2010 and will continue for approximately 12 weeks. The work however will not occur continuously over the period of 12 weeks.

The equipment on site will include an elevated work platform, excavator, pothole truck, jack hammer, concrete mixer, concrete truck, work vehicles including delivery trucks, hand tools and a franna crane.

Please note this work will have an impact on the car parking for both factories.

We appreciate everyone's patience while we build this important project for Sydney, NSW and the nation.
