

AUSTRALIAN RAIL TRACK CORPORATION LTD

Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

Construction Work at Campbell Hill Rd Chester Hill

Australian Rail Track Corporation (ARTC) will be installing a new Sydney Water water main from Orchard Road to Cambell Hill Road underneath the railway line near Chester Hill Station. This will replace the existing water main that is in the way of the new Southern Sydney Freight Line. The works include an underbore beneath the railway line as well as local excavation and trenching to connect to the existing water main.

Construction work will begin on the 13th July 2010 and it will be carried out in approved project hours. The work will continue for approximately 12 weeks however it will not occur continuously over the period of 12 weeks. Traffic movements will be impacted by these works and traffic control will be in place to manage these movements.

The equipment on site will include a boring machine, excavator, welder, jack hammer, concrete mixer, work vehicles and hand tools.

We appreciate everyone's patience while we build this important project for Sydney, NSW and the nation.
