Lifting of a bungalow at Menangle Road, Glenlee

Australian Rail Track Corporation (ARTC) are planning to lift a signalling bungalow from beside Menangle Rd into the Rail Corridor. This is part of the SSFL works. The Lifting of the bungalow will take place on the **3rd August 2010** and it will be carried out in approved project hours. This was previously planned for the 30th July and was delayed due to wet weather.

The equipment used will be a 130t crane, which will be sat on the shoulder beside the roundabout that forms the junction of Menangle Road and Glen Alpine Drive.

It is anticipated that the site will be occupied from 10am till 3pm and the lift will occur at the latest by 2pm. Pedestrian and traffic movements might be impacted by these works and if necessary traffic controls will be in place to manage these movements.

We appreciate everyone's patience while we build this important project for Sydney, NSW and the nation.
