

AUSTRALIAN RAIL TRACK CORPORATION LTD

Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

Bankstown Area – Construction Works

Australian Rail Track Corporation (ARTC) will be undertaking construction works in your area commencing in the next 2 – 3 weeks. These service relocation works are part of the construction of the Southern Sydney Freight Line (SSFL).

Woods Road Underbridge – The works will commence some time from the 15th September 2010 and will continue for a number of weeks. The works to be undertaken include: Drainage work on the western footpath adjacent to Wood Road Bridge; Construction of a temporary Piling Pad on the eastern side of Wood Road; Site establishment within the rail corridor.

Sefton Station to Hector Street – The works to be undertaken in this area include the excavation and removal of redundant services. A satellite compound will also be established within the rail corridor adjacent to Hector Street Bridge.

Hector Street to Miller Road – Excavation and removal of redundant services will take place in this location.

We appreciate everyone's patience while we build this important project.
