

Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

Leumeah – Weekend Works

Australian Rail Track Corporation (ARTC) will be undertaking construction works in your area over the weekend of the 16th and 17th October 2010. These works are part of the construction of the Southern Sydney Freight Line (SSFL).

Leumeah Station – The works will begin at 2.00am on Saturday 16th October and will continue until 2.00am Monday 18th October 2010. The works will involve installation of a lift shaft, installation of bridge structure components and the installation of platform alterations. The equipment used will be 100t crane, 20t franna, scaffold, scissor lift, hand tools, delivery trucks, oxy sets and generator.

Leumeah Station – Works will begin 2.00am on Saturday 16th October and will continue until 2.00 Monday 18th October 2010. The works will involve site set out for the installation of cable troughing along platform face and construction and installation of cable troughing along platform face. The equipment used will include 2 x site vehicles, 2 x portable generators, 2 x portable lighting towers, concrete cutting saw, electric drills and hand tools.

We appreciate everyone's patience while we build this important project.
