

## Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

### Minto – Weekend Works

Australian Rail Track Corporation (ARTC) will be undertaking construction works in your area over the weekend of the 16<sup>th</sup> and 17<sup>th</sup> October 2010. These works are part of the construction of the Southern Sydney Freight Line (SSFL).

**Minto** – Works will begin at 7.00am and will continue until 6.00pm on Saturday 16<sup>th</sup> and 17<sup>th</sup> October 2010. The works will involve the cutting and removal of communications cables from cabinet, installation of cables into the new cable pit, the jointing of cables and the unbolt and removal of B/J6 cabinet from base, the removal of the concrete base and then the backfill of all open trenches. The equipment used will include handtools, 3.5t excavator, crane truck, site vehicles x 4 and personnel x 6.

**Minto to Ingleburn** - Works will begin at 6.00am and will continue until 10.00pm on both Saturday and Sunday. The works will involve multiple activities, including commissioning of new train radio hut and decommissioning of old train radio hut at Minto, install underline open cut crossing; installation, changeover and commissioning of communications cables; and relocation of 240V power supply to hot box detector from Minto compressor hut. The equipment used will include hand tools, site vehicles, excavator, dumper truck, vacuum truck, power winches, and generators.

Construction works from Minto and Ingleburn

**Minto Station** – The works will begin 2.00am on Saturday 16<sup>th</sup> October 2010 and will continue until 2.00am on Monday 18<sup>th</sup> October 2010. The works will involve site set out for installation of cable troughing route along platform face and construction and installation cable troughing route along platform face. The equipment used will include 100t crane, 20t franna, scaffold, scissor lift, hand tools, delivery trucks, oxy sets, generator and traffic management.

**Minto to Leameah** – The works will begin at 7.00am and will continue until 10.00pm on both Saturday 16<sup>th</sup> October and Sunday 17<sup>th</sup> October 2010. The works will involve installation, changeover and commissioning of communications cables. The equipment used will include site vehicles, hand tools, power winches, and generators.

**Minto Station** – The work will begin at 2.00am on Saturday 16<sup>th</sup> October and will continue until 2.00am on Monday 18<sup>th</sup> October 2010. The works will involve the fitting of bridge components, the fitting of cladding to lift shafts, carry out demolition works to existing ramp structure and power upgrade. The equipment used will include 100t crane, 20t franna, scaffold, scissor lift, hand tools, delivery trucks, oxy sets, generator and traffic management.

We appreciate everyone's patience while we build this important project.
