Construction Works to Platform – Minto Station

Australian Rail Track Corporation (ARTC) will be undertaking work at Minto Station for the construction and installation of a cable troughing route along the platform face. The works will be undertaken on the 19th, 20th, 21st, 26th, 27th and 28th October 2010 from 9pm to 5am. If the construction work is not completed during October additional works may be undertaken on the 2nd, 3rd and 4th November 2010 from 9pm to 5am.

This relocation is required as part of the enabling works to facilitate the construction of the Southern Sydney Freight Line. The equipment on site will include 2 x site vehicles, 2 x portable generators, 2 x portable lighting towers, electric drills and hand tools.

We appreciate everyone's patience while we build this important project for Sydney, NSW and the nation.
