IMPORTANT COMMUNITY INFORMATION

Macarthur – Weekend Works

Australian Rail Track Corporation (ARTC) will be undertaking construction work in your area. These works must be undertaken outside normal construction hours because of the safety risks involved with working in close proximity to overhead power and rail track.

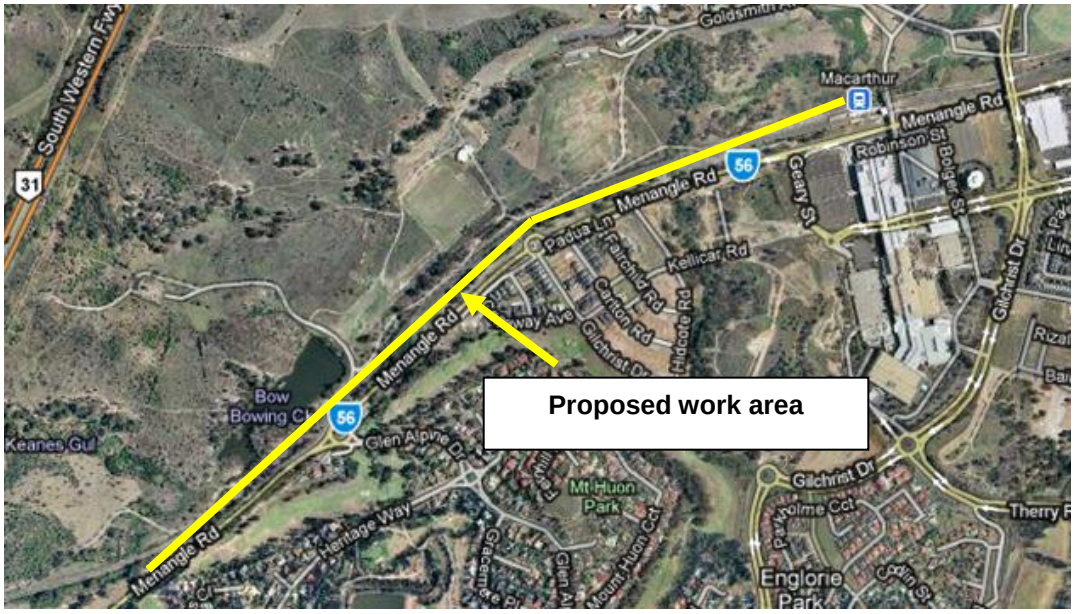
Macarthur Station to Glenlee Substation

These works will take place on Saturday 11 and Sunday 12 December 2010 from 7am to 10pm. The works will include installing, changing over and commissioning communications cables (Combined Services Route Zone 1). The equipment required for these works include site vehicles, hand tools, power winches and generators.

.

Macarthur to Glenlee

These works will take place from 2am Saturday 11 December to 2am Monday 13 December 2010. The works will include testing signals, modifying wiring, installing signal posts and ladders, and modifying track circuit. The equipment required for these works include site vehicles, hand tools, cherry picker and hi-rail truck.



We appreciate your patience while we build this important project for Sydney, NSW and the nation.
