Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

Casula and Glenfield – Weekend Works

Australian Rail Track Corporation (ARTC) will be undertaking construction work in your area. These works must be undertaken outside normal construction hours because of the safety risks involved with working in close proximity to overhead power and rail track.

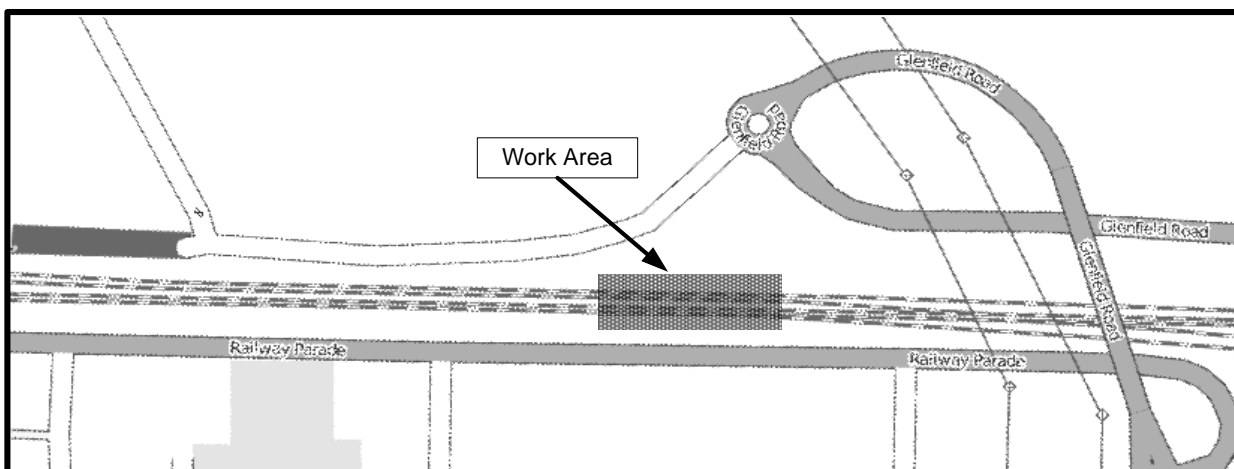

Casula Station

These works will take place from 7am to 6pm on Saturday 22 and from 8am to 6pm on Sunday 23 January 2011, with a contingency period from 6pm to 10pm on both days. These works will include a power upgrade. The equipment required for these works include a 100t crane, 20t Franna, delivery truck, oxy sets, generator, concrete pump, concrete delivery vehicles, day maker lights, and powered and non-powered hand tools.

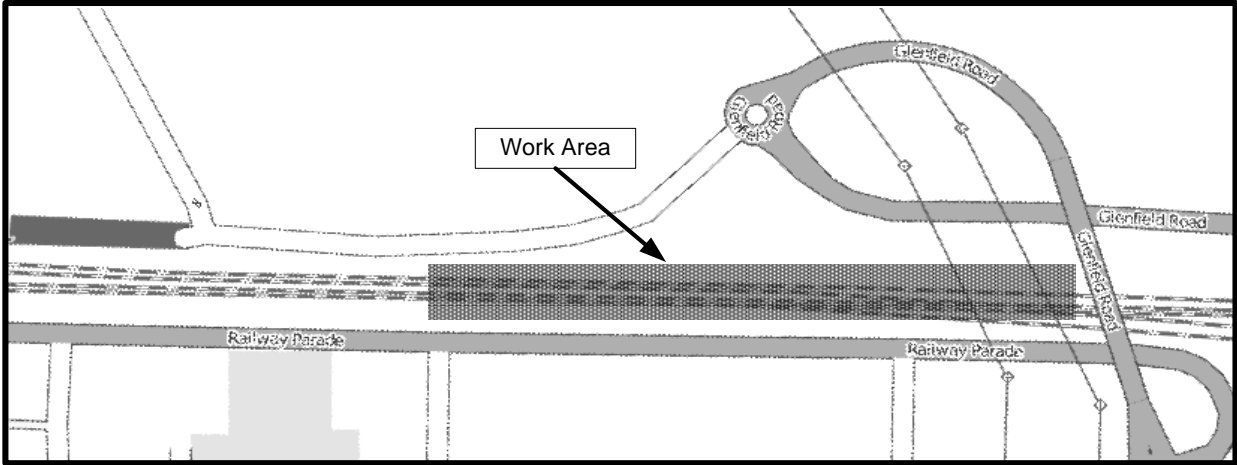

Glenfield Substation to Chesham Parade, Glenfield

These works will take place from 7am to 6pm on Saturday 22 and from 8am to 6pm on Sunday 23 January 2011. These works will include removal of points and half pilot staff. The equipment required for these works include a Hiab truck, flat bed truck, tool truck, excavator, water cart and hand tools.

Cambridge Avenue to Chesham Parade, Glenfield

These works will take place from 4am Saturday 22 to 11pm Sunday 23 January 2011. The works will include installing crossover and catchpoint, tamping and adjusting ballast. The equipment required for these works include a 16t excavator, Drott traxcavator, two 14t dumper trucks, two front end loaders, water cart, street sweeper, tamper and regulator.

We appreciate your patience while we build this important project for Sydney, NSW and the nation.
