Ingleburn to Minto – Weekend Works

Australian Rail Track Corporation (ARTC) will be undertaking construction work in your area. These works must be undertaken outside normal construction hours because of the safety risks involved with working in close proximity to overhead power and rail track.

Victoria Road to Minto Road

These works will take place from 7am to 6pm on Saturday 22 and from 8am to 6pm on Sunday 23 January 2011, with a contingency period from 6pm to 10pm both days. These works will include installing, changing over and commissioning of signalling and communications cables (Combined Services Route Zone 4). The equipment required for these works include site vehicles, power winches, generators and non-powered hand tools.

We appreciate your patience while we build this important project for Sydney, NSW and the nation.
