Construction Work at Leumeah

Australian Rail Track Corporation (ARTC) will be undertaking construction works in your area.

Underbore Construction - Old Plough Inn Road, Leumeah

ARTC will be re-commencing construction of the underbore at Old Plough Inn Road, on the western side of Leumeah Station, to bring power to the station carpark. This will take place from 7am to 6pm Monday 28 March to Friday 1 April 2011.

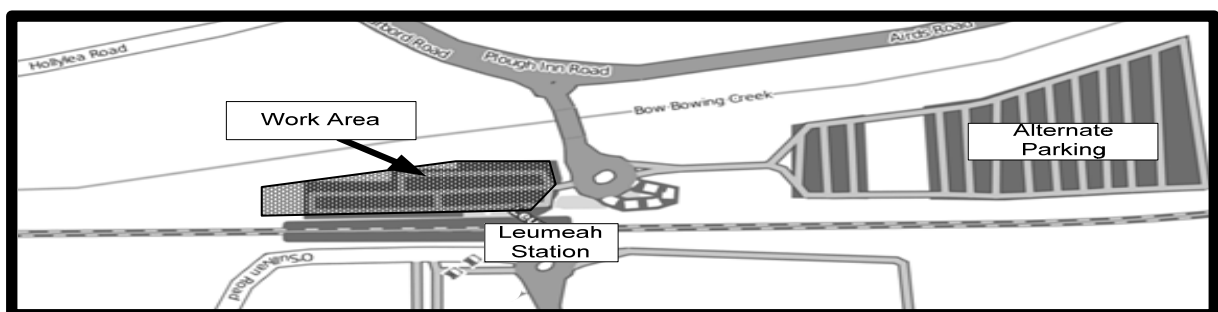

The equipment used will be a boring machine, excavator, cable truck, jack hammer, concrete mixer, work vehicles and hand tools. Traffic controls will be in place to manage vehicle and pedestrian movements during construction.

Construction Work at Leumeah Station

ARTC will be undertaking construction works to install new light poles and power supply within the carpark. We will also be constructing kerbing, installing guttering and concreting a footpath. The works will take place on the western side of Leumeah Station from 7am to 6pm Monday to Friday and from 8am to 1pm Saturday. The works will commence on 28 March 2011 for three weeks.

The equipment used will be an excavator, under bore machine, concrete saws, road saw, jack hammers, tip truck, road plate compactor, site vehicles and powered and non-powered hand tools.

We appreciate your patience while we build this important project for Sydney, NSW and the nation.
