

AUSTRALIAN RAIL TRACK CORPORATION LTD

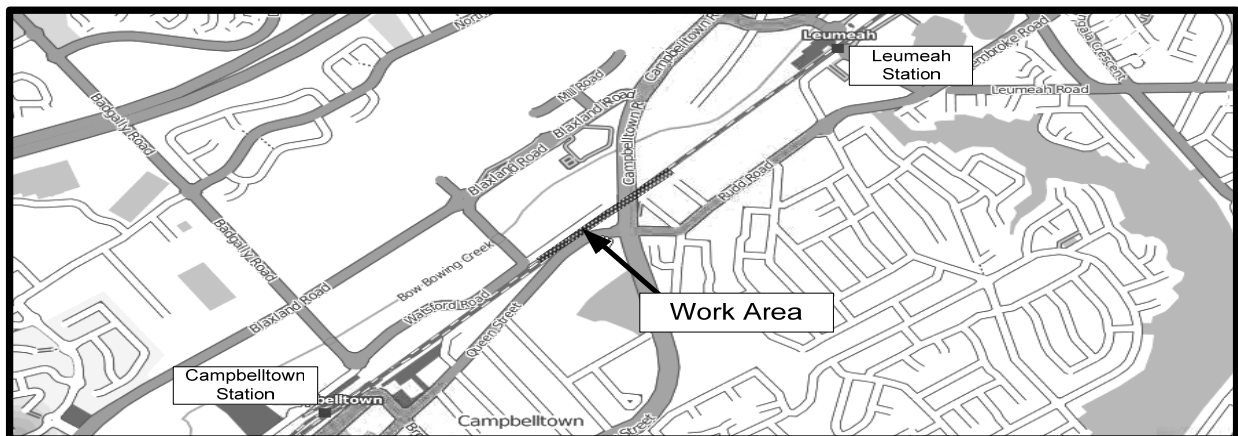

Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

Construction Work at Campbelltown

Australian Rail Track Corporation (ARTC) will be undertaking construction work at Campbelltown. This work must be undertaken outside normal construction because there are safety risks involved with working in close proximity to the overhead wires and tracks.

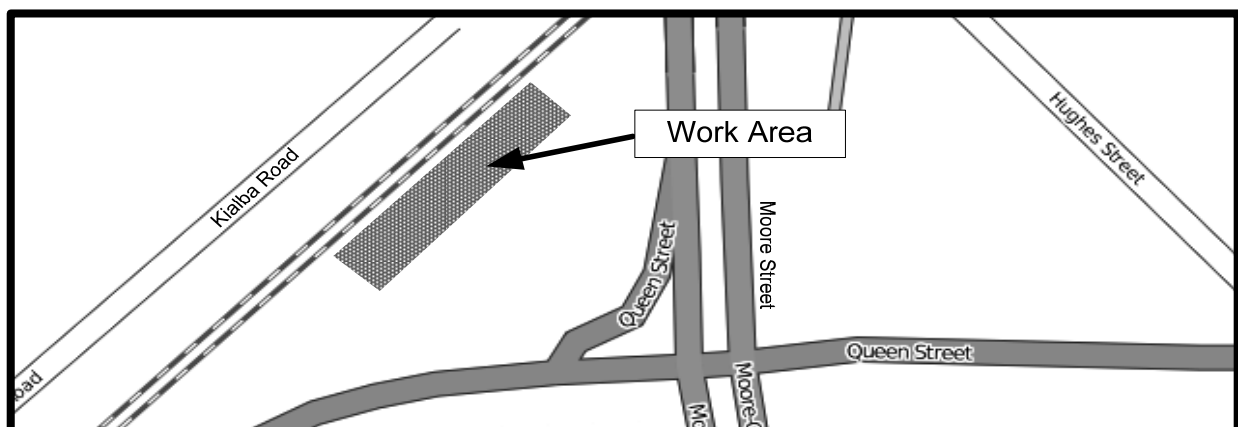

Kulgoa Street to Rose Street, Campbelltown

Relocation of an existing signal and cable route, including potholing and excavation, will be undertaken from 7am to 6pm Saturday 7 May and from 8am to 6pm Sunday 8 May 2011. The equipment used will include a potholing truck, excavator, hiab truck, work vehicles, grinders and a generator.

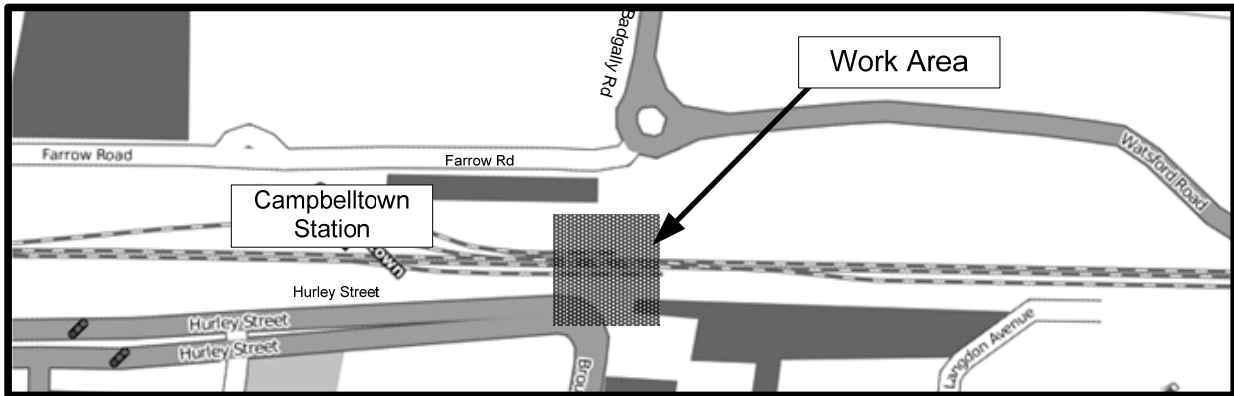

Rail corridor near intersection of Queen Street and Moore St, Campbelltown

Installation of additional protection to a water main will be undertaken from 7am to 6pm Saturday 7 May and from 8am to 6pm Sunday 8 May 2011. The equipment used will include a concrete truck and pump, potholing truck, air compressor, diesel generator, 40T mobile crane, 20T excavator, bogie tipper, front end loader, wacker packer, and powered and non-powered hand tools.

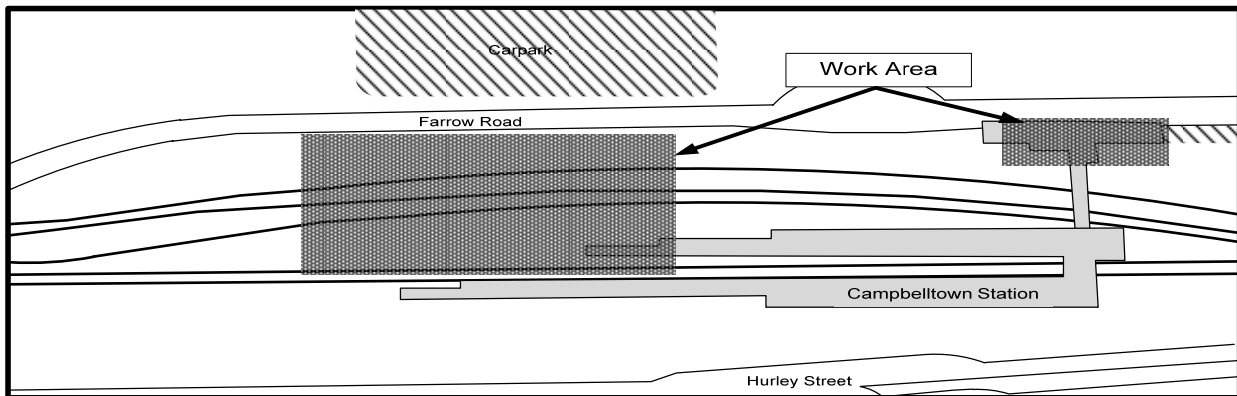

Rail corridor near bend in Hurley and Farrow Roads, Campbelltown

Water main modifications, including installation of an underline crossing, will be undertaken from 1am Saturday 7 May to 6pm Sunday 8 May 2011, with a contingency from 6pm Sunday 8 May to 12am Monday 9 May 2011. The equipment used will include a concrete truck and pump, air compressor, diesel generator, 20T excavator, directional drill rig, bogie tipper, front end loader, wacker packer, lighting tower and powered and non-powered hand tools.

Campbelltown Station

Works to the existing pedestrian footbridge and adjustments to the staff footbridge will be undertaken from 7am to 6pm Saturday 7 May and from 8am to 6pm Sunday 8 May 2011, with a contingency between 6pm and 10pm both days. The equipment used will include delivery trucks, oxy sets, a 20T franna, scaffolding, an elevated work platform, piling rig and powered and non-powered hand tools.

We appreciate your patience while we build this important project for Sydney, NSW and the nation.
