

AUSTRALIAN RAIL TRACK CORPORATION LTD

## Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

### Construction Work at Minto Station

Australian Rail Track Corporation (ARTC) will be undertaking construction work at Minto Station. The work will involve a power upgrade, demolition of the existing access ramp, works to the footbridge and back of platform works. This work must be undertaken outside normal construction because there are safety risks involved with working in close proximity to the overhead wires and tracks.

Works will be undertaken from 7am to 6pm Saturday 7 May and from 8am to 6pm Sunday 8 May 2011. An approved contingency period is in place from 6pm to 10pm on both Saturday 7 May and Sunday 8 May 2011.

The equipment used will include delivery trucks, oxy sets, a 200T crane, 20T franna, scaffolding, an elevated work platform, concrete cutting machinery, generator, and both powered and non-powered hand tools.

We appreciate your patience while we build this important project for Sydney, NSW and the nation.
