

AUSTRALIAN RAIL TRACK CORPORATION LTD

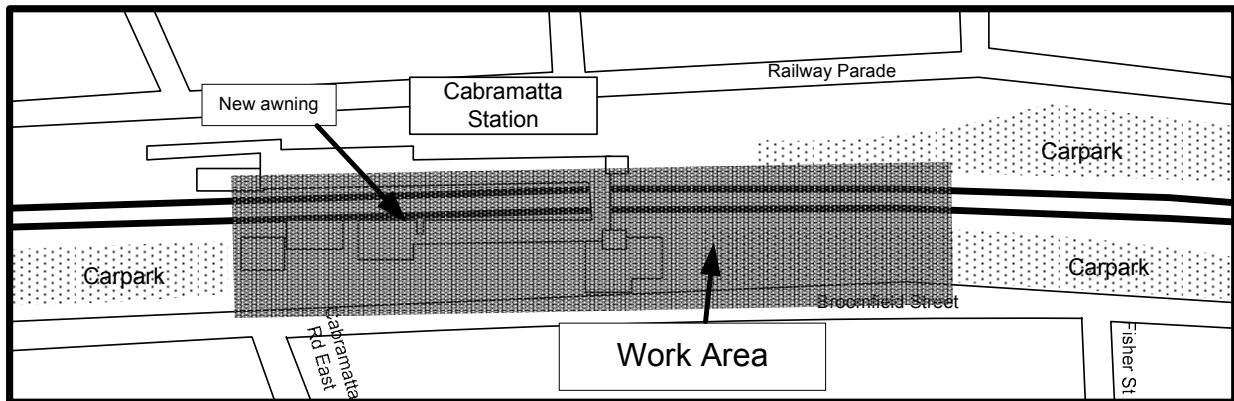

Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

Construction Work at Cabramatta Station

Australian Rail Track Corporation (ARTC) will be undertaking construction work at Cabramatta Station. The work will consist of the installation of a new awning, electrical modifications, and back of platform works, including widening the platform. This work must be undertaken outside normal construction because there are safety risks involved with working in close proximity to the overhead wires and tracks.

Works will be undertaken from 7am to 6pm on Saturday 14 May and from 8am to 6pm on Sunday 15 May 2011. A contingency will be in place between 6pm and 10pm on both days.

The equipment used will include a delivery truck, oxy sets, a 60T crane, a 20T franna, scaffolding, an elevated work platform, and powered and non-powered hand tools.

We appreciate your patience while we build this important project for Sydney, NSW and the nation.
