

AUSTRALIAN RAIL TRACK CORPORATION LTD

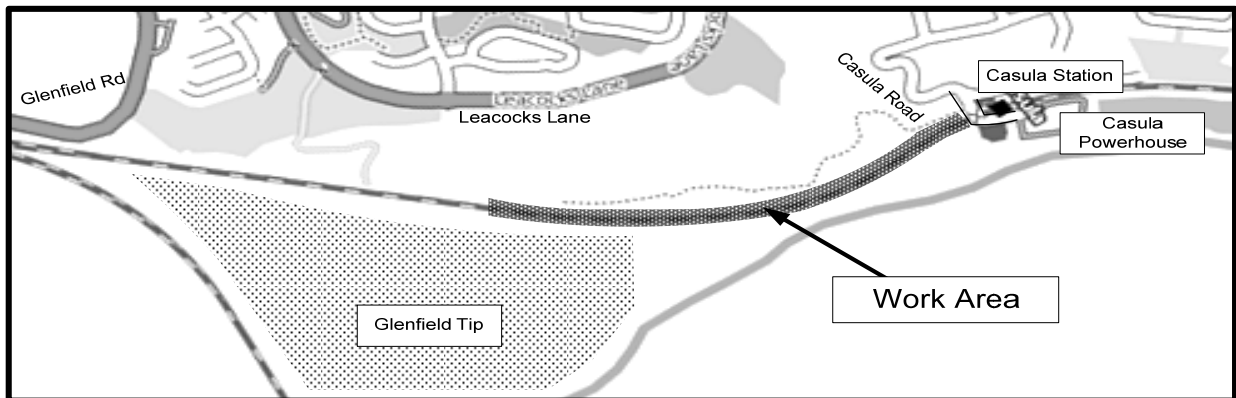

Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

HV Works from Casula Station to Glenfield Tip, Glenfield

Australian Rail Track Corporation (ARTC) will be undertaking HV works from Casula Station, Casula to the Glenfield Tip, Glenfield. This work must be undertaken outside normal construction hours because there are safety risks involved with working in close proximity to the overhead wires.

These works include installation and removal of power poles, and associated aerial HV works. The works will be undertaken on Saturday 2, 9 and 16 July, from 7am to 5pm and on Sunday 3, 10 and 17 July 2011, from 8am to 5pm; and on Saturday 23 and Sunday 24 July from 6am to 6pm. An approved contingency is in place for Saturday 30 July, from 7am to 5pm and on Sunday 31 July 2011, from 8am to 5pm.

The equipment used will include four auger excavators, three grabbing trucks, five low loaders, three 7t mini excavators, four tip trucks, eight concrete trucks, three potholing trucks, two 23m travel towers, three tippers, a 30t mobile crane and hand tools.

We appreciate your patience while we build this important project for Sydney and NSW.
