Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

Construction work at Ingleburn

Australian Rail Track Corporation (ARTC) will be constructing an HV underline crossing at the corner of Ingleburn Road and Sackville Street, and across the rail corridor from 6 July 2011 until 12 August 2011. The work will be undertaken during normal construction hours on Monday to Friday, from 7am to 6pm, and on Saturday, from 8am to 1pm.

The work will consist of establishing a site compound, and constructing launch and reception pits on Ingleburn Road. The equipment used will include a boring machine, excavator, cable truck, jack hammer, concrete mixer, site vehicles and hand tools.

Barriers and temporary fencing will be in place around the pits. Traffic controls will be in place to manage vehicle and pedestrian movements during construction.

We appreciate your patience while we build this important project for Sydney and NSW.
