

AUSTRALIAN RAIL TRACK CORPORATION LTD

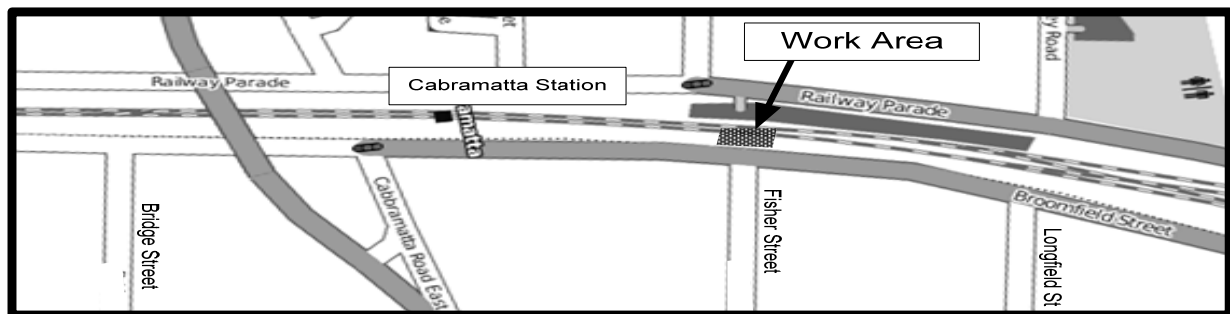

Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

Construction Work at Cabramatta

Australian Rail Track Corporation (ARTC) will be undertaking construction work at Cabramatta. This work must be undertaken outside normal construction because there are safety risks involved with working in close proximity to the overhead wires and tracks.

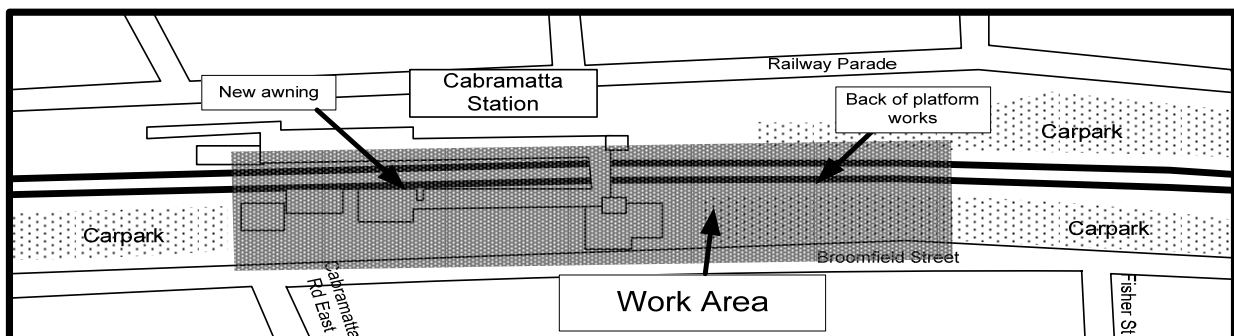

Fisher Street, Cabramatta

Fence removal and erection, installation of track side shoring, will be undertaken on Saturday 9, from 7am to 6pm, and on Sunday 10 July 2011, from 8am to 6pm. The equipment used will include a 7t excavator with auger attachment, sucker truck, timber hoarding, timber sleepers, and powered and non-powered hand tools.

Cabramatta Station

Back of platform works, installation of a new awning roof and drainage, as well as electrical modification works, will be undertaken from 7am on Saturday 9 July until 6pm on Sunday 10 July 2011. An approved contingency is in place on Sunday from 6pm until 10pm. The equipment used will include delivery trucks, oxy sets, a 60t crane, 20t franna, scaffolding, elevated work platform, generator, and powered and non-powered hand tools.

We appreciate your patience while we build this important project for Sydney and NSW.
