## Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

### Integral Energy work at Liverpool

Australian Rail Track Corporation (ARTC) will be undertaking Integral Energy work at Atkinson Street in Liverpool, from 15 July for approximately 6 weeks until the 26 August 2011. The work will be undertaken during normal construction hours on Monday to Friday, from 7am to 6pm, and on Saturday, from 8am to 1pm. The work will not occur continuously over this period of 6 weeks.

The work will include local excavation and trenching, as well as cable hauling. The equipment used will include an excavator, jack hammer, concrete mixer, work vehicles, cable hauling equipment and hand tools.

Pedestrian access may be impacted, traffic controls will be in place to manage vehicle and pedestrian movements during construction.

We appreciate your patience while we build this important project for Sydney and NSW.
