

AUSTRALIAN RAIL TRACK CORPORATION LTD

Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

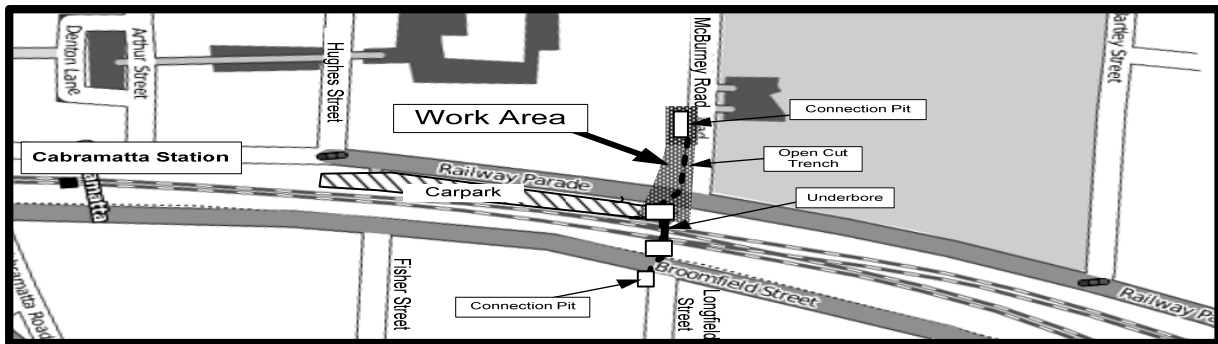

Construction Work at Cabramatta

Australian Rail Track Corporation (ARTC) will be undertaking construction work at Cabramatta. This work must be undertaken outside normal construction hours to minimise disruption to local businesses and commuters.

McBurney Road to Railway Parade, Cabramatta

An open cut excavation for an HV underbore as well as asphalt reinstatement will be carried out from McBurney Road to Railway Parade. This work will be undertaken on seven nights between Saturday 16 July and Wednesday 31 August 2011, from 9pm to 6am, on a maximum of two nights per week.

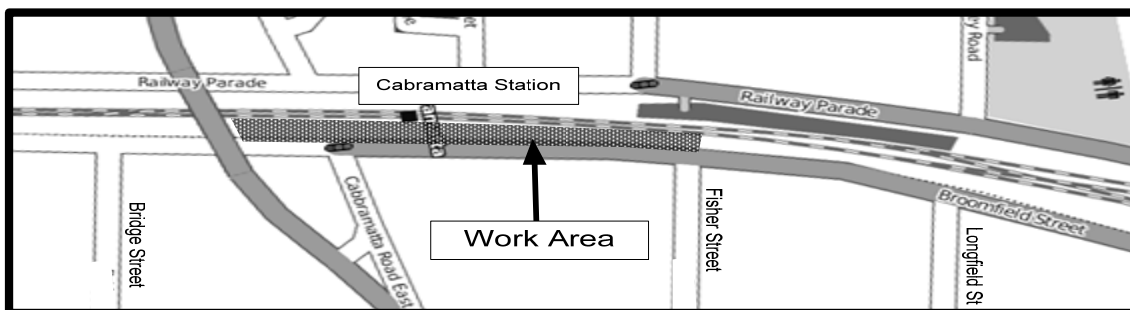

The equipment used will include a lighting tower, road saw, 7t excavator, tip truck, Hi-ab tipper, shoring box, road plates. For the re-instatement of the asphalt a road miller, paver, roller, delivery trucks, float for machine and line marking equipment will be used. Traffic controls will be in place to manage traffic and pedestrian movements throughout these works.

Broomfield Street, from Fisher Street to Cabramatta Road East, Cabramatta

Excavation works to retrieve a bore head used for sewer underbore works may be undertaken on three nights between Saturday 16 July and Wednesday 31 August 2011, from 9pm to 6am. This is contingency work, and will only be carried out if the bore head becomes stuck and needs to be retrieved.

The equipment used will include a lighting tower, road saw, 7t excavator, tip truck, Hi-ab tipper, shoring box and road plates. Traffic controls will be in place to manage traffic and pedestrian movements throughout these works.

We appreciate your patience while we build this important project for Sydney and NSW.
