Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

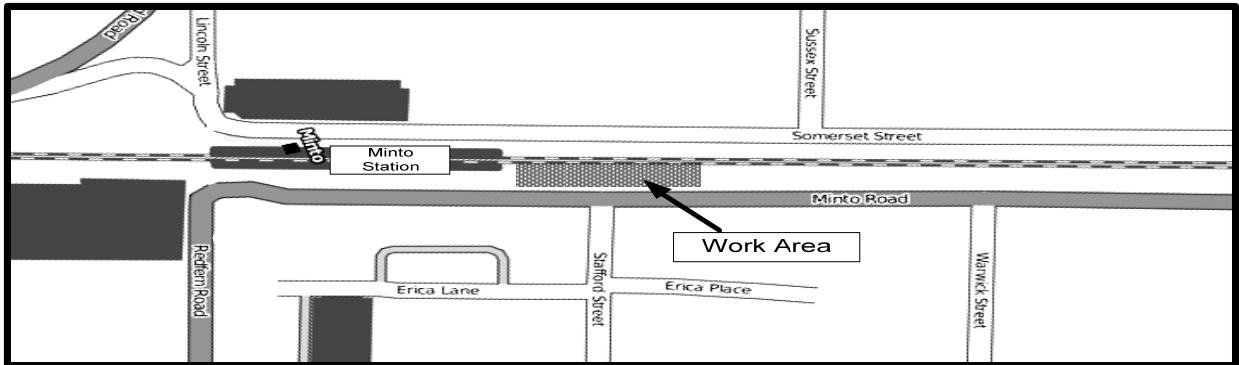

Construction Work at Minto Station

Australian Rail Track Corporation (ARTC) will be undertaking construction work at Minto Station. This works must be undertaken outside of normal construction hours because they are reliant on power outages and there are safety risks involved with working in close proximity to the overhead wires and tracks.

Compressor Hut Installation

Locating a new compressor hut adjacent to the down track will take place on Saturday 17 September, from 7am to 6pm and on Sunday 18 September 2011, from 8am to 6pm. An approved contingency from 7am to 6pm on Saturday and from 8am to 6pm on Sunday is in place for one weekend between Saturday 24 September and Sunday 30 October 2011.

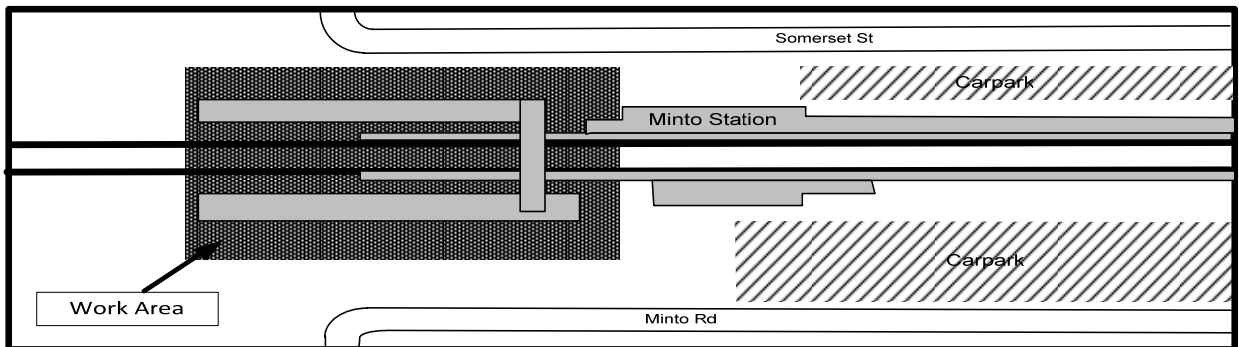

The equipment will include a crane, low loader, flat bed truck, and powered and non-powered hand tools.

Minto Station Works

Power upgrade works and back of platform works will take place from 7am Saturday 17 September to 6pm Sunday 18 September 2011. An approved contingency is in place from 6pm to 10pm on the Sunday.

The equipment will include oxy sets, a power saw, electric drill, generator, concrete saw, piling rig, high rail, knuckle boom, delivery vehicles, and powered and non-powered hand tools.

We appreciate your patience while we build this important project for Sydney and NSW.
