Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

Construction Works from Miller Road to Woodville Road, Villawood

Australian Rail Track Corporation (ARTC) will be undertaking construction work in your area. These works must be undertaken outside normal construction because there are safety risks involved with working in close proximity to the overhead wires and tracks.

Trackwork, including the removal and reinstatement of track, resurfacing, laying ballast and localised hand grinding and welding will be undertaken from 2am on Saturday 22 October to 12am early morning on Monday 24 October, and from 2am on Saturday 29 October to 12am early morning on Monday 31 October 2011 (weather permitting).

The equipment required for these works will include a tamper and regulator, four front end loaders, four 14t dumpers, two 15t excavators, two drott, a bobcat, vibrating roller, rail grinder, 20 bogie tippers, 12 lighting towers, a street sweeper, water cart, and powered and non-powered hand tools.

We appreciate your patience while we build this important project for Sydney and NSW.
