## Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

### **Pedestrian access to new stairway at Lighthorse Park, Liverpool**

Australian Rail Track Corporation (ARTC) is currently undertaking construction work off Riverpark Drive, at Lighthorse Park, Liverpool.

As part of these works a re-alignment of the road space in Riverpark Drive was made and the pedestrian pathway was moved to direct pedestrians around the worksite in Lighthorse Park.

Currently the new pedestrian pathway connects with the existing staircase leading up to Newbridge Road.

A new pedestrian staircase has now been constructed and will replace the existing staircase.

From Monday 31 October 2011, the pedestrian pathway and staircase leading up to Newbridge Road will be open to the public and will be the permanent access way leading from Riverpark Drive to Newbridge Road. New signage will be erected to direct pedestrians.

We appreciate your patience while we build this important project for Sydney and NSW.
