

Southern Sydney Freight Line IMPORTANT COMMUNITY INFORMATION

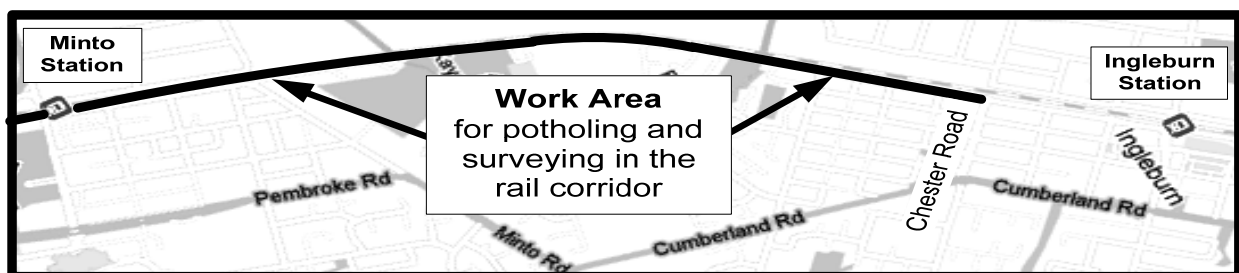

Construction Works at Ingleburn

Australian Rail Track Corporation (ARTC) will be undertaking construction work in your area. These works must be undertaken outside normal construction because there are safety risks involved with working in close proximity to the overhead wires and tracks. RailCorp has a track possession scheduled on 17 and 18 December 2011, which means passenger trains won't be running on this weekend to allow construction work on the train lines. The Southern Sydney Freight line will utilise this track possession to undertake work safely.

Chester Road, Ingleburn to Campbelltown Station

Potholing and surveying works will take place from 7am Saturday 17 December to 6pm Sunday 18 December 2011. An approved contingency is in place from 6pm to 10pm on Sunday 18 December 2011.

The equipment used will include pothole trucks, lighting towers, portable generators, a bobcat and site vehicles.
