

Dear Resident,

**Re: Temporary closures of Bareena Street overbridge and Fourth Avenue Footbridge, Carcoola Street Canley Vale**

Australian Rail Track Corporation (ARTC) in an Alliance with Leighton Contractors will deliver the Southern Freight Link (SFL). This work involves building a 36 kilometre bi directional, non electrified, dedicated freight line from Leightonfield to Glen Lee in South Western Sydney.

As part of this work, it is necessary to close the pedestrian footbridge located in Carcoola Street and Lansdowne Road Canley Vale, which provides access over the rail line. **This footbridge will be closed from 7am, Monday 9 January until 6 pm, Tuesday 31 January 2012.**

Closure of the footbridge is necessary to allow SFL to build a temporary access for pedestrians. This will ensure access over the footbridge for pedestrians while the new freight line under the bridge is being constructed. During this temporary closure, transport for the community will be provided at no cost to the community across the bridge during peak times. Timetables of when transport will be available will be shown on signage at the Fourth Avenue footbridge entrances, and will run between:

- Carcoola Street to the opposite side of the footbridge at Lansdowne Street, Canley Vale
- Lansdowne Street to the opposite side of the footbridge at Carcoola Street, Canley Vale

Alternate pedestrian access is also available and shown in the diagram overleaf.

It will also be necessary to close the road at Bareena Street to complete works on the overbridge. Four (4) road closures will take place between First Avenue and Bareena Street Canley Vale:

- 7am, Saturday 7 January to 7am, Monday 9 January 2012
- 7am, Thursday 12 January to 10pm, Friday 13 January 2012
- 7am, Monday 16 January to 10 pm, Tuesday 17 January 2012
- 7am to 10pm Saturday 21 January 2012

Detours and signage will be in place to advise commuters and pedestrians of the temporary closures and diversions, and traffic management will be in place at all times. **Pedestrian access will be maintained on Bareena Street overbridge during these specific works.**

We appreciate your patience while we complete this important project for Sydney and NSW. **For further information please phone our 24 Hour Information Line on 1800 182 543 or email [ssfl@artc.com.au](mailto:ssfl@artc.com.au). Information is also available at [www.ssfl.artc.com.au](http://www.ssfl.artc.com.au).**

Yours sincerely
