
Southern Freight Link

1. Community Notification – Out of Hours Oversized Delivery

Australian Rail Track Corporation (ARTC) in an Alliance with Leighton Contractors is delivering the Southern Freight Link (SFL). This work involves building a 36 kilometre bi – directional, non electrified, dedicated freight line from Leightonfield to Glen Lee in South Western Sydney.

As part of this work, a truck of up to 13 metres in length transporting a piling rig is being delivered to the site at Glenfield. This delivery will occur at approximately **5am on Wednesday 22 February 2012**. The truck will exit the Hume Highway, and travel down Glenfield Road to the project site, where it will enter at the existing gate.

It is anticipated the vehicular movement will take approximately twenty (20) minutes. The truck will not be unloaded until 7am, which is within approved I construction hours.

During this work motorists may experience some short term delays during the delivery, we apologise for any inconvenience.

We appreciate your patience and co-operation while we carry out the works to complete this important project for Sydney and NSW.
