

## Southern Freight Link

### Community Notification – Rescheduled Construction work, Casula

The Southern Sydney Freight Line Project (SSFL) will be undertaking construction work in your area. This work must be undertaken outside normal construction hours whilst there is a power outage to enable work on overhead power lines.

Earth works, piling, track drainage, constructing retaining walls, concreting; and high voltage relocation works will be undertaken from **8am to 6pm Saturday 3 March**, and from **8am to 6pm Sunday 4 March 2012**. The equipment required for these works will include pole trucks, elevated work platforms, excavators, compactors, rollers, bobcats, cranes including Frannas, water cart, piling rig, trucks, dump trucks, concrete trucks, delivery trucks, graders, boom pumps, anchoring rigs, generators, compressors, hydraulic hammers, and powered and non-powered hand tools.

This work was originally scheduled to be undertaken from 8am to 6pm Saturday 25 and from 8am to 6pm Sunday 26 February 2012 but due to commissioning of the Glenfield Power Station the work had to be rescheduled

We appreciate your patience while we build this important project for Sydney and NSW.
